Attorneys for Defendant  
RYAN SISEMORE

**UNITED STATES DISTRICT COURT**  
**NORTHERN DISTRICT OF CALIFORNIA**

UNITED STATES OF AMERICA,

Plaintiff,

v.

RYAN SISEMORE et al,

Defendant.

Case No. CR 14-70886 [DMR]

**STIPULATION AND ~~[PROPOSED]~~**  
**ORDER WAIVING PERSONAL**  
**APPEARANCE OF DEFENDANT**

IT IS HEREBY STIPULATED by and between the parties hereto and undersigned counsel, and with the consent of Defendant Ryan Sisemore, that his that his personal appearance be waived for the hearing presently scheduled for September 21, 2015 at 9:30 a.m.

At the hearing scheduled for September 21, 2015, it is expected that further dates will be set and that the hearing will be a status as opposed to an arraignment, since the proposal for pretrial diversion is pending U.S. Attorney supervisor review/approval. Mr. Sisemore's counsel will personally notify Mr. Sisemore of any dates set.

Because Mr. Sisemore is living in a residential treatment program in Stockton, California, where he is doing very well, it would be unduly burdensome for his family members, who work, to travel roundtrip from their homes to Stockton and then to Oakland back for the purpose of this hearing. The family members and the program have requested his waiver at this particular court
